

CCP MODULE 10

Fundamental Cloud Governance

Arcitura®
CERTIFIED
Cloud Governance
Specialist

OVERVIEW

This course explains IT governance as it pertains to the evolution and regulation of cloud computing environments and assets. Numerous models and framework components are explored to establish highly structured models for identifying and associating formal cloud governance precepts and processes to common cloud project stages.

The cloud governance lifecycle itself is described, along with associated tools and technologies that are further categorized into technology types that help automate different cloud governance task types. Cloud domain IT resource inventory models and cloud governance level models are also defined to help formalize and customize a comprehensive cloud governance framework.

The following primary topics are covered:

- Understanding Cloud Governance Programs, Models, and Controls
- The Cloud Governance Lifecycle
- Common Cloud Project Lifecycle Stages (and How They are Governed)
- Cloud Domain IT Resource Inventory Models (centralized/federated cloud, centralized/federated multi-cloud, etc.)
- Cloud Governance Task Types (unsubscribed, automated, passive, active, etc.)
- Cloud Service Governance Types (simple, composite, hybrid, etc.)
- Cloud Governance Framework Components
- Cloud Governance Tools and Technology (registries, repositories, agents, network relays, policy systems, etc.)
- Cloud Governance Technology Types (administrative, enforcement, monitoring, reporting)
- Cloud Governance Precepts and Processes
- Cloud Governance Level Models (single/multi enterprise/corporate)
- Defined Strategic Cloud Roadmap
- Defined Criteria of Cloud Maturity and Adoption
- Defined Cloud Service and Delivery Model
- Standardized Funding Model
- Strategic Cloud Planning and Stakeholder Engagement
- Cloud Maturity Model Definition and Cloud Maturity Gap Analysis
- Cloud Maturity Risk Assessment and Cloud Maturity Impact Analysis

Duration: 1 Day

TRAINING + CERTIFICATION

This course is part of a training and accreditation program through which official certification can be achieved and for which official training and certification badges can be issued.

eLEARNING + PRINTED STUDY KITS

This Arcitura study kit includes the contents listed below. These course materials are available in full-color printed format, as well as in eLearning subscription format, via online access and offline file download.

- Workbook
- Self-Study Guide
- Supplement
- Mind Map Poster
- Flashcards
- Audio Tutor Recordings (usb)
