HERE'S HOW IT WORKS:

1. Get trained by using eLearning kits or by remotely attending a public or private instructor-led virtual workshop.
www.arcitura.com/elearning
www.arcitura.com/workshops
www.arcitura.com/private
2. Get tested by scheduling an exam with Pearson VUE's OnVue online proctoring system, which allows you to take exams from your home.
www.pearsonvue.com/arcitura/onvue
3. Get certified by passing the necessary exam(s) to achieve the certifications you are pursuing. Digital certificates and badges are automatically sent to you directly.
www.arcitura.com/digital
4. Market your accomplishments via social media using official digital certificates, badges and logos.
